Product Specification – Dried Diced Apple

1. Product Information:

Item	Description
Product Name	Dried Apple
Product Code	**SUFL7533**
Country of origin	Poland
Ingredients	Apple 100 %
Diced	9.5 mm, without skin
Product Description	The product is made from fresh apple (Malus domestica) from Polish variety at the proper stage of ripening. The fresh fruit is mechanically washed and cored and cut to halve; all fibrous foreign parts are eliminated. The fruit is cut in different sizes, shapes, with or without skin and dehydrated by a belt drier. No additive, preservation, flavouring or any kind of colouring is added. The product is obtained after sieving phases, metal checked and packed.
Expected Shelf Life	24 months from production date.
Storage Recommendations	The product should be stored in suitable ventilated fresh and dry warehouse, with low relative humidity and ambient temperature (not over 20°C).
