Product Specification – Pumpkin Seeds Kernels GWS grade AA

1. Product Information:

Item	Description
Product Name	Pumpkin Seeds Kernels GWS grade AA
Product Code	**SUFL7545**
Grade	Cleaned at origin
Botanical Name	*Cucurbita pepo*
Country of origin	China
Country of Processing	China
GMO Free	We herewith confirm that the product we supply to you has been produced without the use of genetically modified organisms and/or any products derived from such organisms

2. Product Description:

Criteria	Maximum Tolerance
Appearance	Oval shaped seed
Colour	Dark green
Aroma/Flavour	Characteristic Odour and Flavour

3. Packaging:

Type	Bag	Bag	Tote
Weight	25kg	22.5kg (50lbs)	1 mt
Material	Paper / Polywoven / Polypropylene / BOPP	Paper / Polywoven / BOPP	Polywoven
Pallet type	Standard one-way pallet		
Units per pallet	40 bags (5x8 layers)	44 bags	1 Tote
Coding	Product name, country of origin Purchase contract number (PCP + several numbers) / CC or V + several numbers) Supplier batch / lot number / production date (optional) Best before date		
Shelf life from packing	Minimum 12 months		
Shelf life on delivery	Minimum 6 months		
Storage conditions	Ambient (<15°C) – In a cool, dry place away from direct sunlight and strong odours.		

4. Maximum Durability:

This is a shelf stable product and there is generally no food safety concerns associated with the use of this product beyond the recommended best before end date given; however the organoleptic properties may change over time, influenced by the product storage conditions at site.

In view of storage conditions at customer premises being beyond the control of Sahara UK food / Sahara UK Foods Europe, we are unable to extend best before end dates for any product that has been released or delivered 4 weeks prior. In this case it is the customers responsibility to assess the product and any decision taken to use the product beyond its best before date is at the sole discretion of the customer.

5. Physical Standards:

Criteria	Maximum Tolerances	Units
Moisture	8%	% by weight
Purity	Min 99.95%	% by weight
Total defects	4.50%	% by weight
Broken	3%	% by weight
Splits	5%	% by weight
Stained / Discoloured	5%	% by weight
Foreign seeds	0.2%	% by weight

Brown seeds and kernels in shells	5%	% by weight
As a natural product no guarantee of 100% purity can be given. It is the responsibility of the buyer to ensure the specification meets the requirements of the intended application. Should a higher level of purity be required please discuss your requirements as further processing is available within Europe.		
The above information is based on our current state of knowledge and experience following detailed inspections and analysis. The data, however, does not represent a legally binding warranty, as certain variations in colour and/or other values and further quality fluctuations from seasonality, incorrect transportation and/or improper storage outside our sphere of influence cannot be excluded; hence the purchaser is not exempt from undertaking their own tests and investigations.		
It is the responsibility of the buyer to thoroughly check the product upon receipt of delivery to ensure it complies with specification. For independent best practice guidance on optimum storage conditions and storage pest prevention, please contact our Quality Department technical@saharaukfoods.co.uk		
No complaint will be considered after 14 days from the date of delivery.		

6. Chemical Standards:

Pesticides and Heavy Metals	We declare that any natural residue and residues from treatment left on the product conforms to the current EU / UK limits for residues. This product is routinely screened for pesticides and heavy metals and is measured against EU / UK regulations.
Mycotoxins	Where applicable, we declare that any natural residue left on the product conforms to the current EU / UK limits for residues. This product is routinely screened and is measured against EU / UK regulations.

7. Microbiological Properties:

Criteria	Values
Yeast	<1000 cfu/g
Mould	<1000 cfu/g
Salmonella spp.	Absent in 25g
E. Coli	<20 cfu/g
These values are provided only as a guidance and should not be taken as an absolute value. They are subject to change. Within the UK and EU No 2073/2005, microbiological standards are not applicable to dry pulses, cereals and grains due to low moisture content and intended use. The product shall be further processed before consumption. Please discuss further if you have specific chain custody requirements.	

.

8. Nutritional Information: (100g)

Factors	Values
Energy kj/kcal	2345 Kj / 565 kcal
Fat	45.6 g
Of which Saturates	7.7 g
Carbohydrates	15.2 g
Of which sugars	1.1 g
Dietary Fibre	N*
Protein	24.4 g
Salt	0.045 g
These values are provided only as a guidance. *Database source:* *McCance and Widdowson's, The Composition of Foods – Integrated database 2019- food code: 14-842,Pumpkin Seeds* Please ensure consumer package labelling complies with EU Regulation 1169/2011.Food info to consumer
