Product Specification – Apricot Paste

1. Product Information

Item	Description
Product Name	Apricot Paste
Product Code	**SUFL7582**
Origin	Uzbekistan
Ingredients	Dried Apricots (99.8%), Preservative: Sulfur Dioxide (E220) (0.2%)
Description	Processed from sound, mature, and clean Uzbek dried apricots. The apricots are washed, pitted, sun-dried, and finely milled into a smooth paste. Treated with sulfur dioxide for color retention. The product has a bright yellow-orange color, with a taste and aroma typical of well-processed apricot paste, free from foreign matter and fermentation.

2. Organoleptic Characteristics:

Item	Description
Appearance	Homogeneous and uniform paste without any visible large fruit pieces or skin fragments.
Flavour	Characteristic of dried apricot flavor, sweet and slightly tart, free of foreign odors, fermentation, and off-flavors.
Colour	Orange to Yellow, characteristic of sulfur-treated Uzbek apricots.
Texture	Thick, well-kneaded, paste texture. Prepared by passing through a 3.5 mm industrial die/mesh and subsequently kneaded to achieve a smooth, uniform, and fine consistency with no visible or detectable particles

3. Physical Characteristics:

Item	Maximum Limit
Foreign Material (Characteristic)	0.5% Max
Foreign material (metal, glass, or similar hard materials)	Absent
Pit/ Pit fragments (>1mm)	Absent
Black Specks (agricultural origin such as freckies, hall damage, insect damage, soil/dirt)	Max 5 pcs/100g
Shall be minimal and not affect product appearance. Evaluation shall be performed on a well-mixed 100g sample spread in a thin layer under standard lighting conditions.	

4. Chemical Characteristics:

Item	Tolerance Limit
Moisture	Min 20 % - Max 24 % (DFA)
Allergen	2000 ppm (for EU, UK, South Africa)
GMO	Free
Radioactivity	Free
Pesticides	Comply with EU Maximum Residue Levels (Reg.396/2005)
Heavy Metal	Lead: 0.1 mg/kg, Cadmium : 0.05 mg/kg
Total aflatoxin	4 µg/kg max
Aflatoxin B1	2 µg/kg max
Ochratoxin A	2 µg/kg max
**EU limits have been used as a reference. However, the limits and requirements of the destination country will be used as a reference and evaluated.
