Product Specification – Yellow / Golden Flax Seed

1. Product Information:

Item	Description
Product Name	Yellow / Golden Flax Seed
Product Code	**SUFL7491**
Botanical Name	Linum usitatissimum L.
Country of Origin	UK / Kazakhstan / Ukraine / Poland
Country of Processing	Poland / UK
GMO	We herewith confirm that the product we supply to you has been produced without the use of genetically modified organisms and/or any products derived from such organisms

2. Organoleptic Properties:

Criteria	Description
Appearance	Dry oval seeds
Colour	Yellow
Flavour & Aroma	Characteristic odour and flavour

3. Physical Properties:

Criteria	Maximum Tolerances	Units
Moisture	9%	
Purity	99.9%	% by weight
Organic contamination	0.1%	% by weight
Mineral contamination	0.01%	% by weight
As a natural product no guarantee of 100% purity can be given. It is the responsibility of the buyer to ensure the specification meets the requirements of the intended application. Should a higher level of purity be required please discuss your requirements as further processing is available within Europe.		
The above information is based on our current state of knowledge and experience following detailed inspections and analysis. The data, however, does not represent a legally binding warranty, as certain variations in colour and/or other values and further quality fluctuations from seasonality, incorrect transportation and/or improper storage outside our sphere of influence cannot be excluded; hence the purchaser is not exempt from undertaking their own tests and investigations.		
It is the responsibility of the buyer to thoroughly check the product upon receipt of delivery to ensure it complies with specification. For independent best practice guidance on optimum storage conditions and storage pest prevention, please contact our Quality Department.		

4. Chemical Properties:

Criteria	Description
Pesticides and Heavy Metals	We declare that any natural residue and residues from treatment left on the product conforms to the current EU / UK limits for residues. This product is routinely screened for pesticides and heavy metals and is measured against EU / UK regulations.
Mycotoxins	Where applicable, we declare that any natural residue left on the product conforms to the current EU / UK limits for residues. This product is routinely screened and is measured against EU / UK regulations.
"Not for final consumer; Do not consume raw" as per *COMMISSION REGULATION (EU) 2023/915 of 25 April 2023 on maximum levels for certain contaminants in food and repealing Regulation (EC) No 1881/2006*	

5. Microbiological Properties:

Criteria	Value
Yeast	$<10^4$ cfu/g
Mould	$<10^4$ cfu/g
Salmonella spp.	Absent in 25g
E. Coli	<20 cfu/g

These values are provided only as a guidance and should not be taken as an absolute value. They are subject to change.

Within the UK and EU No 2073/2005, microbiological standards are not applicable to dry pulses, cereals and grains due to low moisture content and intended use.
The product shall be further processed before consumption.

Please discuss further if you have specific chain custody requirements.

6. Nutritional Data:

Nutrition declaration	Value (Per 100g)
Energy	2236 kJ / 534 kcal
Fat	42. 2 g
of which saturated	3.7 g
Carbohydrate	28.9 g
of which sugars	1.5 g
Dietary Fibre	27.3 g
Protein	18.3
Salt	0.075 g

These values are provided only as a guidance.
Database source:
USDA FLAX SEEDS (SURVEY (FNDDS), 784466 – 16/4/2020

Please ensure consumer package labelling complies with UK / EU Regulation 1169/2011 - Food Info to consumer

7. Allergen Table:

Allergen	Potential presence	Comment
Cereals containing gluten (wheat, rye, barley, oats, spelt, kamut)	NO	
Crustaceans & products thereof	NO	
Egg & products thereof	NO	
Fish & products thereof	NO	
Peanuts & products thereof	NO	
Soyabeans & products thereof	NO	
Milk & products thereof (including Lactose)	NO	
Nuts & products thereof	NO	
Celery & products thereof (including Celeriac)	NO	
Mustard & products thereof	NO	
Sesame seeds & products thereof	NO	Stored in same storage warehouse as flax seed
Sulphur dioxide & sulphites (>10mg/kg SO_2)	NO	
Lupin & products thereof	NO	
Molluscs & products thereof	NO	

Definitions as per the FSA Guidance on allergen management and consumer information (July 2006):
Probable – a likely chance of risks occurring
Remote – risks are unlikely to arise but are still possible. Low probability risks should not be ignored and should be managed and eliminated where appropriate

8. Special Dietary Requirements:

The product is Suitable for:	
Vegetarians	Yes
Vegans	Yes
Coeliac	Yes
Lactose Intolerants	Yes

9. Shelf Life and Storage Conditions:

Shelf life from packing	Minimum 12 months
Shelf life on delivery	Minimum 6 months
Storage conditions	Ambient (<15 °C) – In a cool, dry place away from direct sunlight and strong odours.

MAXIMUM DURABILITY
This is a shelf stable product and there is generally no food safety concerns associated with the use of this product beyond the recommended best before end date given; however the organoleptic properties may change over time, influenced by the product storage conditions at site.

10. Packaging:

Criteria	Description
Type	Bag
Weight	26 kg
Material	Paper / Polywoven / Polypropylene / BOPP
Pallet Type	Standard one-way pallet
Units per pallet	40 bags (5x8 layers)
Coding	Product name, country of origin Purchase contract number (PCP + several numbers) / CC or V + several numbers) Supplier batch / lot number / production date (optional) Best before date
Declared weight on label	25 kg

Agreement of Specification – If no signed copy of this specification is received within 28 days of issue to the Customer then this will be considered accepted.
