Legumes	No	No	No	No

The allergen information above is based on information provided by our supplier. We point out that cross-contamination cannot be completely excluded.

7. **Nutritional data**

Nutrient Parameter	Typical value (per 100 g)
Energy	674 KJ / 158 Kcal
Protein	4.0 g
Total Carbohydrate	36.5 g
Of which sugars	36.5 g
Of polyols	-
Of which starch	Trace
Fat	0.6 g
Of which saturated	N
Of which mono-unsaturated	N
Of which poly-unsaturated	N
Dietary fibre	6.3 g
Potassium K mg	1380
Iron mg	3.4
Vitamin C	1
N: Nutrient is present in significant quantities but there is not reliable information on amount	

8. **GMO/Irradiated Information**
   - This product is in conformity with European and UK legislation with regard to food safety. It is safe and suitable for human consumption. All of our products are in accordance with EC Regulation No. 1830/2003 and 1829/2003. This product has not been produced from a GMO source and does not contain and GMO ingredients. This product complies with regulations for compulsory GMO declaration in according to EC-regulations 1999/2/EC, maximum 0.1% detection of GMO. This product has not been exposed to radiation and nor does it contain ingredients that have been treated with ionising radiation.

9. **Shelf Life and Storage Conditions**
   - Cool (5-18°C), dark and dry (max. 65 % relative humidity), storage without stretch-film. Keep away from odour emitting substances.
   - Product should be stored in the original sealed container. Keep unused product tightly sealed in recommended storage conditions.
   - Shelf life is 12 months in unopened original packaging on correct storage and transport conditions.
   - Shelf life is 1 month for opened packaging.

- The assessment to extend the shelf life of product beyond the best before end date declared on the label is at our clients' own shelf life protocol/testing and sole discretion.

10. **Packaging Details**
    - The integration of the packaging material should not be impaired or damaged during transportation, storage and handling of cardboard boxes.
    - The Primary packing materials should be food grade and of sufficient strength and stability complying with EU Regulation (EC) No 1935/2004.

11. **Product Warranty Statement**
    - Please note: This product is not recommended for use in baby foods.
    - Certificate of conformance to the original specification is available upon request prior to delivery of the product. The product has long shelf life and is traded throughout the year. The product is prone to moisture, infestation, reabsorption, colour, texture and taste change based on the storage and packaging conditions. The suitability of the poduct for intended use must be checked by the buyer prior to use. Sarhara UK Foods Limited cannot be held liable for consequences of specific use of the product neither it accepts any responsibility for the usage of the product beyond stated shelf life.

Agreement of Specification – If no signed copy of this specification is received within 28 days of issue to the Customer then this will be considered accepted.
