Product Specification - Medjool Dates

1. Product Information:

Item	Description
Product Name	Medjool Dates
Country of Origin	California
Product Code	**SUFL7300**
Product Description	Medjool Dates are known as the King of Dates! Larger than the Deglet Noor, the Queen of Dates, and known for their darker caramel color and taste, larger size and delicate luscious skin, Medjool Dates are perfect as a snack on their own or in recipes as a low-glycemic alternative sweetners. They've been enjoyed around the world date-ing back to biblical times. Medjool Dates are the great source of fiber, contatin more potassium than the banana by weight, magnesium and antioxidants – the perfect combination for health-seeking consumers looking to ditch refined sugar. Sahara UK Foods is a vertically integrated date supplier. Our dates meet all FDA and USDA requirements and are processed and packed, cleaned and metal detected using stainless steel equipment in a BRC Certified facility. Medjools are electronically separated into 3 main quality grades starting from largest to smallest (Jumbo, Large Extra Fancy and Fancy) and packed in bulk 11lb boxes. We also offer consumer packs and private label options.
